RE: REQUEST FOR EXEMPTION FROM COMMISSION'S CLOSED CAPTIONING RULES

Faith Temple of Lincolnton is a small, but exciting, non-denominational community based ministry serving Lincolnton, Georgia in Lincoln County Georgia. The ministry established an half hour local program called "Possessing Your Promises," that we want to broadcast on WFXG television.

Please accept petition for exemption from Section 79.1 of the Commission's rules, implementing Section 713 of the Communications Act of 1934. The rules are threatening the future of "Possessing Your Promises" due to the overwhelming expense it would take to comply with such rules. Our program qualifies for exemption for the following reasons:

Part 79.1- Section (D)

"Possessing Your Promises" is a locally produced and distributed non-news program with no repeat value. The program is of local interest, it is not a news program, and the technique of closed captioning is unavailable.

Part 79.1- Section (F)

Faith Temple of Lincolnton will be imposed with undue burden if it has to comply for the following reasons:

1. In order to make all programs closed caption we would have to outsource the production. Posr-production would cost our ministry nearly \$10,400 a year at \$200.00 per 30 minute program for 52 weeks.
2. "Possessing Your Promises" is strictly produced by myself and volunteers using minimal editing equipment. We pay the local station \$100.00 to air each program. If we had to add closed captioning to the equation it would double the cost.

3. The ministry has already stretched its resources to allocate funds for television programming. If we are asked to spend more monies to produce "Possessing Your Promises," we would be forced to terminate the program.

Again, we respectfully request that Faith Temple of Lincolnton be exempted from the closed captioning requirement for the aforementioned reasons. Should you have any questions or concerns call me at 706-359-4310.

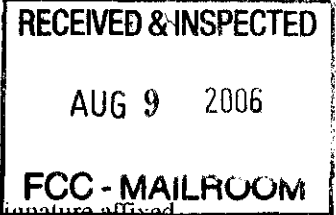

Sincerely
